Categoría: Creación de aventuras de juego

Textadventures permite crear, jugar y compartir juegos de aventuras de texto.

Es una comunidad de creadores y jugadores de juegos de ficción interactivos.

Todos los juegos se pueden jugar en el navegador web o como aplicación para smartphone o tableta. Casi todos son gratuitos, e incluso puedes crear los tuyos propios utilizando nuestro software gratuito: Quest o Squiffy. Aquí tienes un tutorial para crear tu propia aventura: https://www.youtube.com/watch?v=7vIi0U4rSX4

Download Quest
for Windows

Quest lets you make interactive story games. **Text adventure games** like *Zork* and *The Hitchhiker's Guide to the Galaxy*. **Gamebooks** like the *Choose Your Own Adventure* and *Fighting Fantasy* books. You don't need to know how to program. All you need is a story to tell. Your game can be played anywhere. In a web browser, downloaded to a PC, or turned into an app. Get started now for free, or find out more below.

It's free...

Quest is free to use. You can use it free via your web browser, or if you're a Windows user, you can download the free desktop version.

And as open source software, Quest will always remain free.

...and you're free

No restrictions. Quest is licenced under the MIT License.

This means you can download and modify the Quest source code, and do whatever you want with it.

You can sell the games you make with Quest. You can use the Quest source code inside closed source commercial applications.

You don't need to ask for permission - you already have it.

> I found Quest – the text adventure creator that enabled me to just go ahead and create what was bubbling inside me. Six feverish days of writing later, my adventure game was born!
> — Jahanzaib Haque

> Quest allows you to create your very own adventures in a couple of different ways, and you don't have to know how
