Trap in the jungle – Set of cards

Content

The set of cards allows you to customize the exercises and adapt them to any subject.

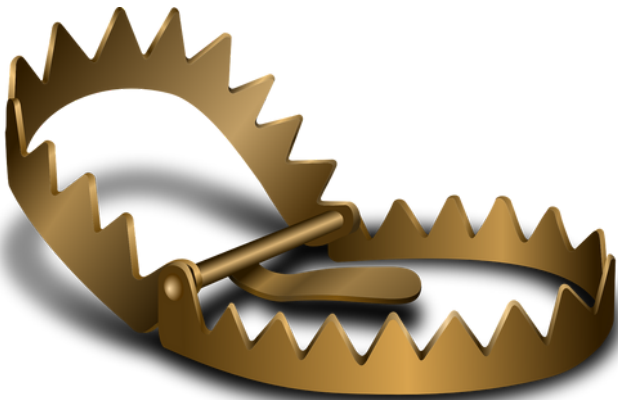

The aim of the game is to save 8 animals trapped by poachers. For each correct exercise, you get 5 points and free an animal. If at least 35 points are scored, the player manages to get poachers arrested.

Poachers card allows to accumulate 10 points!

Trap in the

J U N G L E

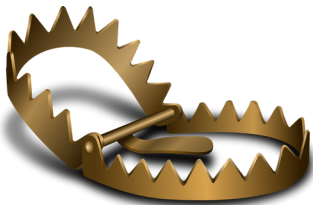

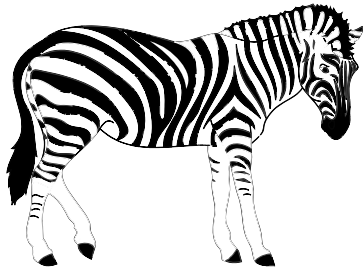

Poachers have set traps in the jungle to catch animals.

Your mission is to free the trapped animals by answering the questions they will ask you to open the traps!

How many animals can you free?

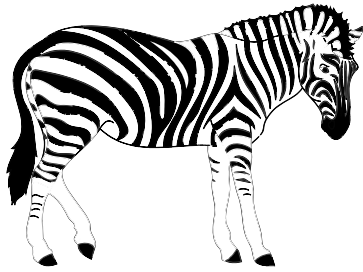

You can have the fearsome poachers arrested if you score at least 35 points!
