Chasse au trésor en anglais

La chasse au trésor en anglais vise à pratiquer la conversation en anglais. Elle se joue comme un jeu de dés classique avec un parcours de 24 cases. Chaque case correspond à une épreuve que doit passer un personnage de l'histoire : les élèves doivent répondre à une question, chanter ou élaborer un court discours...

Un maître du jeu doit écouter la réponse donnée par chaque élève pendant son tour et décider si elle est correctement formulée ou non. Si la réponse est correcte et bien formulée, le joueur peut continuer le jeu ; sinon, il doit passer son tour !

Niveau B1 / B2 requis.
